

Selective Laser Trabeculoplasty

1. Continue with your usual anti-glaucoma drops (if any).
2. If you develop pain in the treated eye take a painkiller such as Paracetamol and apply a cold compress over the eye. If the pain persists contact us on 0203 026 9695.
3. An appointment will be sent to you for your follow-up with Mr Ratnarajan.

Questions or concerns

If you have any further questions or concerns please contact Mr Ratnarajan on:
